

MILITARY SERVICE BANNERS

The Military Banner Program is designed to honor and recognize Lawrence County active duty military personnel and veterans. Hometown Heroes banners are displayed on light poles along sections of John Williams Boulevard, beginning at Lincoln Avenue and continuing west. Each banner will list the honoree's name and the military branch in which the honoree serves.

Banners will be displayed through Veterans Day. Banners may be removed at any time due to damage, fading, or a change in the honorees military service. At the end of the display period, banners will be made available to the applicant for pick up at the Bedford Street Department.

Orders are accepted through June 13, 2025. Applications are accepted on a first-come, first served basis until space is filled (40 spots available).

Contact Mikels Signs to purchase

Payment in the amount of \$100 for the purchase of the banner is required to complete the enrollment process. Please complete one application per honoree.
