

Brush Service

FALL CLEAN SWEEP

September 23 -27, 2024

Our brush truck is used daily and has greatly improved response time for brush being picked up at the curb. **Brush must be at the street in order to have picked up. A lot of the alleys are too tight for the truck.**

Remember to call to have brush picked up. If you notice a pile that has been there for a long time please call and give us the location so we can get it picked up and leave a tag to inform residents to give us a call in the future. Let's all work to Build a Better Bedford.

Automated Compost Truck in Service

The automated compost truck is in service. Green toters will be emptied with an automated truck. This will improve the response time and allow for daily pickups. Toters must be at the street in order to be picked up. Green toters will be picked up automatically on your trash day each week through November 1st. Remember to call to have your yard toter emptied from November 4th until March 28th, 2025. We have toters available with the trash utility and the resident splitting the cost of the toter which is approximately \$26.00.

The Recycling Truck will be in your neighborhood EVERY OTHER WEEK. It will pick up your RECYCLING TUB on the same day the automated trash truck is in your neighborhood. If you have any questions, please call and we will be happy to assist you any way we can.

Between regular pick-ups recyclables can be dropped off at the Recycling Center located at 3326 Mitchell Road

VACUUM LEAF SEASON

All leaf season leaves that you want picked up with the vacuum **CANNOT** be bagged. Leaf season pickup begins October 7th and runs approximately to November 29th or even up into later December if needed on your trash day each week. Alleys with leaves are picked up by calling 812-279-9222. If you do not mulch your leaves, please rake them in a pile within 3 feet of the curb in your lawn, not in the street. Leaves clog storm drains if piled in the roadway. Please do not place leaf piles on water meter lids or too close to the trash toters. Leaves can be placed in yard waste toters year around and call to schedule pickup. No bags in yard waste toters. Yard waste toter cost is shared so 96 gallon is about \$26. 812-279-9222 to schedule pickup.

SHREDDING

Shredding and Storage Unlimited has agreed to bring locked bins to our Utilities office during clean sweep for residents to bring papers that need shredding. No businesses. Monday – Friday 7:30 AM to 4:15 PM. Closed for lunch between 12 – 1.
