

Brush Service

SPRING CLEAN SWEEP

April 19 -28, 2025

Our brush truck is used daily and has greatly improved response time for brush being picked up at the curb.

Brush must be at the street in order to have picked up.
A lot of the alleys are too tight for the truck.

Remember to call to have brush picked up. If you notice a pile that has been there for a long time please call and give us the location so we can get it picked up and leave a tag to inform residents to give us a call in the future. Let's all work to Build a Better Bedford.

Automated Compost Truck in Service

The automated compost truck is in service. Green toters will be emptied with an automated truck. This will improve the response time and allow for daily pickups. Toters must be at the street in order to be picked up. Green toters will be picked up automatically on your trash day each week through October 31st. You do not have to call to have your yard toter emptied from April 7th until October 31st 2025. We have toters available with the trash utility and the resident splitting the cost of the toter which is approximately \$26.00.

*****REMINDER*****

Per Ordinance, once collection has occurred, all emptied Toters picked up curbside from the street shall be removed from the curb and returned to the residence the same day. Toters should be stored in such a manner as to not be visible from the street front if possible.

Items that we DO NOT allow in our toters include: construction material, appliances, demo, dirt, rocks, furniture, concrete, tires, liquid paint, asbestos, poisons, chemicals, toxins, combustible items, propane & oxygen tanks, car batteries, alkaline & lithium ion batteries or gasoline

CELEBRATE ARBOR DAY, APRIL 25TH BY HAVING THE STREET DEPARTMENT PLANT A TREE IN YOUR TREE PLAT. CALL 812-279-9222 FOR DETAILS.

CALL ANYTIME FROM APRIL 19th THROUGH APRIL 28th TO GET YOUR WORK ORDER TO HAVE ITEMS PICKED UP AT 279-9222. IT WILL TAKE LONGER THAN USUAL DUE TO THE AMOUNT OF WORK ORDERS WE HAVE DURING CLEAN SWEEP

STILL HAVE LEAVES?? CALL IN ONLY

Our spring leaf season leaves that you want picked up with the vacuum **CANNOT** be bagged. Leaf season pickup begins April 7th and runs approximately to April 18th. Residences and alleys with leaves are picked up by calling 812-279-9222. If you do not mulch your leaves, please rake them in a pile within 3 feet of the curb IN your lawn, NOT in the street. Leaves clog storm drains if piled in the roadway. Please do not place leaf piles on water meter lids or too close to the trash toters. Leaves can be placed in yard waste toters year around and you do not have to call April 7 – October 31. The compost truck will be in your neighborhood on your automated trash day or you can call to schedule pickup in the winter months. No bags in yard waste toters. Yard waste toter cost is shared so 96 gallon is about \$26. 812-279-9222 to schedule pickup.

SHREDDING

Shredding and Storage Unlimited has agreed to bring locked bins to our Utilities office during clean sweep for residents to bring papers that need shredding. No businesses. Monday – Friday 7:30 AM to 4:15 PM. Closed for lunch between 12 – 1.

Did you know the Street Department has a sidewalk program where the City will remove the existing old sidewalk and furnish the concrete for the new walk and the homeowner is responsible for obtaining a contractor to construct the new walk and for payment for labor and construction. A limited number of sidewalks are done every year. Contact the Street Department at 279-9222 for details.
